The NIMBLE THIMBLE

<http://www.nbquilts.org/>

President's Message

Wow! That is what I have to say about the 2012 Quilt Show. What a fantastic show! I hated to see it come to a close, wanted to go back for at least two more days. Many thanks to Joan Halley for her leadership, to the amazing team who put all the many components together and to all of you who entered a quilt, donated a mini quilt or a basket, or came to the show. Look for the impressive stats elsewhere in this newsletter.

Didn't the show make you proud to be a member of NBQA? Now is the time of year to think about how you can keep the guild going strong for all the people the show inspired to become quilters. The Nominating Committee will be calling you to ask if you can chair, co-chair or otherwise assist on a committee. Many hands make light work, so if lots of you volunteer, the burden will not be great on any one person. Please give some thought to what you would like to do.

I want to take this opportunity to tell you how much I have enjoyed serving as president for the last two years. It has been lots of fun and I have had the chance to get to know so many of you better. We really are a wonderful and diverse group and when we put our talent to work, nothing is better.

I hope everyone has a great summer, is inspired to do the Summer Challenge, and returns in the fall ready to create. Don't forget to get your membership renewal form in by the end of May.

There are still a few openings. If you are interested, contact Steffanie Windus.

Newcomer's Corner

May is our last meeting of the year and that means *Elections* and *Membership Renewal*.

Each year, the NBQA president appoints a Nominating Committee of at least three members from the NBQA membership. This committee will, at the May meeting, present a slate of qualified candidates who are willing to serve if elected. The slate includes candidates for the officer positions (President, Vice President, Secretary and Treasurer). Standing committee chairperson positions are also presented. Additional nominations may be made "from the floor." Officers are elected for a term of one year and may not serve more than two consecutive terms of office. Officers and Committee Chairpersons, along with the two previous past presidents, comprise the NBQA Executive Board which meets monthly. The slate will be presented at the May meeting.

Please remember to renew your membership.

Bring the form and check to the May meeting or mail as instructed.

The form is included in this newsletter and is available on the [NBQA Website](#).

2012 QUILT SHOW REPORT

We had an exceptional show - we welcomed 1,202 adults and a great many children to the Show over Saturday and Sunday - thanks to the hard work and dedication of our members! It was truly a team effort and we are thankful to each and every one of you who supported our Quilt Show.

We especially appreciate those who helped through the years, months and weeks prior to make it such a success. We thank those members who served on the Show Committee and gave so freely of their Saturdays and Sundays for meetings and then worked so diligently to make it all come together!

It is so hard to make sure to thank everyone who contributes their time, effort and resources or adds their emotional and physical support throughout the process of pulling it all together. So we don't forget any names, we'll just say "**Thank you**".

A heartfelt thank you to all the members who joined in the Fabric Challenge for sharing their wonderful and absolutely exquisite talent and for being part of the Special Exhibit.

A special thank you to the following:

- To Mack Johnston, Jim Halley, Mark Lemay and Phil Stedman, who transported all the racks and storage boxes to and from Hope Valley and North Kingstown, RI and Hampton, CT, got them out and put them away, carried them and loaded and unloaded them and repaired them.
- To everyone who moved and placed the racks, pegboards, backdrops, quilts, tables, chairs, baskets and put up signs – the husbands, friends and neighbors who were such a help.
- To those hard working members who said "Is there anything I can do to help you?"
- To all those members for creating such an extraordinary array of baskets that were raffled off for \$ 2,000.00!!!!
- Most especially to the 99 members who stitched such glorious quilts, décor items and clothing for us to show and admire and inspire.

We would like to congratulate all those who earned ribbons, won baskets and/or were top bidders at the mini-auction.

It might not seem possible but we are already planning the 2014 Show, so put new needles in your machines, find that pattern you've been meaning to do and get out your materials. Also, please remember to support, throughout the coming year, those vendors who helped make our Show such a success.

In addition to the income from the Show itself, we sold \$450 in pins and \$503 worth of raffle tickets for this year's raffle quilt (drawing at the May meeting).

~Joan Halley and Joan Potter

You ladies are absolutely wonderful! About a month before the show I sent out a request for more items for the auction. At that time, there were only nine pieces to auction. You all really pulled through. We ended up with a total of sixty three items. We raised \$2,285.00 for the museum. I believe this is the greatest number of items we have ever had for the auction, and the greatest amount of money we have ever raised. This is thanks to all of you. Thank you so much for all of your help. Either by making an item for the auction, helping Sue and I set up, or helping on the day of the auction, or a combination of all three, thank you. This is a tremendous, supportive guild.
