# The NIMBLE THIMBLE

<http://www.nbquilts.org/>

## President's Message

Another guild year will be ending this month with our annual meeting. Comfort quilts will be distributed, Guild members will be recognized for all their hard work during the year, officers will be elected and board positions will be filled. It has been a very busy, successful year with wonderful speakers, great workshops, an incredible Quilt Show, and warm camaraderie among our guild members.

But let's not rush to the finish line. For those of you who admit you could join my "Sore Binding Finger Club," rushing to finish is not always the best for our quilts or us. Our Judge, NQA Certified Judge, Holice Turnbow, did mention that as a guild we are very consistent. Not only were we consistent in what technique we could improve on in this year's show but we had the exact same technique show up as a "needs improvement" at the 2006 show. Boy are we consistent! Consistent in that we either are not aware of how to properly bind our quilts or do not take the time to do them well. Whatever your excuse, take the time before you get ready to bind your next quilt to seek out a good book or teacher of binding techniques. There is plenty of good instruction out there. Once you learn how to do bindings well they are much faster and far less frustrating. Bindings are the finishing touch to our masterpieces and the part that gets a lot of wear, so they deserve to be well done.

As we look forward to the summer, plan some time to work on our summer challenge. You'll find the theme for the summer challenge in this newsletter. Seeing what our members create is always an exciting part of the September meeting. You'll also find the pattern for the September Block of the Month and September, October, and November workshops. Put aside some of your summer fun time to let your quilting creativity soar!

Have a wonderful summer!

Still in binding recovery...

Pat Harrison

### Mug Mats

Thank you to all for the mug mats. We had a great response. It seems you liked the mug rug pattern from Barbara Barber was a hit.

Thank you again to Barbara La Plume for all the yoyo pins. It appears she has a following of collectors who hope to make a quilt of them one day.

### Thank You from the New England Quilt Museum

What beautiful quilts you donated to the auction! I must admit I was a little worried at the March meeting when I had only sixteen quilts. But you pulled through again. We had forty-five quilts to auction. That's great! We earned \$1,967.00 for the museum. I'm sure they will be very happy to receive this donation.

Thank you to all who donated quilts. Also, thank you to all who helped with setting up the quilt display and the day of the auction. I really appreciate all you do for this cause.

Thank you to Bill Spicer for his help in spite of his injured knee. He always makes us laugh.

## 2008 QUILT SHOW RECAP

Wow, another Quilt Show come and gone...a fantastic one at that! It was truly a team effort and we are thankful to each and every one of you who supported our Quilt Show. We especially appreciate those who helped through the years, months and weeks prior to make it such a success. It is so hard to make sure to thank everyone who contributes their time, effort, resources or adds their emotional and physical support throughout the process of pulling it all together. So we don't forget any names, we'll just say **"Thank you"**:

- To Jim Halley and Phil Stedman who stood up at the last minute to transport all the racks and storage boxes to and from Westerly, Hope Valley and North Kingstown, got them out and put them away, carried them and loaded and unloaded them and repaired them
- To Committee Chairs who worked so diligently and all their supporting people
- To everyone who moved and placed the racks, pegboards, backdrops, quilts, tables, chairs, baskets and put up signs
- To those who fed the set up crew and judging crew so well
- To the members, husbands and significant others who set up and took down the show so proficiently
- To Natalie Bielawski and the registration team for coming in early on Thursday enabling the judging to get started
- To everyone who helped in the judging room to ensure all the quilts were found and judged
- To everyone who volunteered during the Show and helped the Show run so smoothly
- To those hard working members who said (every time we saw them) "Is there anything I can do to help you?"
- To Barbara Fitzsimmons for sharing her wonderful world of quilts and children's story books
- To Pat Coughlin and all members who shared their clothing for the Fashion Show
- To Billie Bunnewith and Kassie Randall for a delightful and fun-loving "Tops With a Story" presentation and to those members who submitted their tops for the parade and joined in with the spirit of the show and tell
- To Patti Finelli and associate members Janice Cullehane and Barbara Chace for creating such an extraordinary array of baskets that were raffled off so fruitfully
- To members who donated items for the baskets, auction quilts, supplies, made the mug mats and yoyo pins, demonstrated their expertise with adults and children
- Most especially to the 101 members who stitched such glorious quilts, décor items and clothing for us to show and admire
- Last but in no way least, to Joan Halley who continues to be an integral and fundamental part of the Guild's ability to put on such a wonderful Quilt Show

We would like to congratulate all those who earned ribbons, won baskets or sewing machines and were top bidders at the mini-auction.

It might not seem possible but we are all ready planning the 2010 Show so put new needles in your machines, find your pattern and get out your materials...a Quilt Show waits for no man (or woman). Also, please remember to support those vendors who helped make our Show such a success.

*~Mary Elizabeth Palumbo and Joan Taylor*

In addition to the income from the Show itself, we sold \$348 in pins, \$ 75 in tote bags and \$ 764 worth of raffle tickets for this year's raffle quilt (drawing at the May meeting.)

## Project Linus

Thank you, so much, for inviting *Project Linus of Rhode Island* to have a table at your absolutely wonderful quilt show. The whole Show was simply outstanding and so well planned. The quilts were displayed nicely and the whole experience was perfect. The Show certainly generated a lot of interest in our mission to provide security, comfort, warmth and love to children who are ill or in crisis. I am most grateful to the Narragansett Bay Quilters' Association for making this possible. I was truly honored to be a part of it.

Linus hugs and Blanket blessings,  
Martha Sholes
