SPECIAL QUARANTINE EDITION

President's Letter to Members

Ladies,

This newsletter is to bring you up to date on how COVID-19 has affected our Guild. I hope you and your family are doing well and are safe. I never thought our guild would be so affected by a virus, but boy it has... with all the meetings, quilt shows, quilt-a-thons, workshops and speakers being canceled and rescheduled.

Never mind how it's effected our lives. Personal and social contacts, shopping for food and fabric, work, home life, communication with others and just our overall welfare. During this quarantine, I have learned to "step back and pause" from the hustle and bustle of daily life. It has been quite eye opening for the world, but I do believe we will come out of this a stronger and more compassionate one.

Check on your friends and neighbors. Lend a helping hand where you can. There are so many ways to help out during these times. In this newsletter you will find information on mask making, and who to contact for distribution of them. I know some of our guild members have already made many masks and distributed them. Great job ladies, keep up the great work.

Unfortunately, our April, 2020 General Meeting and Workshop will be canceled due to the State restrictions. As of this point not sure of the May meeting and Workshop. Time will tell. Please continue to complete the blocks of the month. Gather the strips for the strip exchange. These can be turned in when we have our next meeting. And, as a challenge, how about finishing that UFO you had for years. Bring it to the September meeting as your "Quarantine Project". It will be interesting to see who has the oldest one!

One more challenge. If everyone made one Fidget Mat for Alzheimer's patients, think of how many we would have!! It's a fun change with so many possibilities. For ideas check Pinterest. Maybe even get your children and grandchildren involved as a project.

Enjoy this newsletter. We included some fun games and puzzles to put a smile on your face. As events change, we will let you know, so check your email, and the NBQA website, and Facebook. Please stay healthy. "Keep calm and quilt on"!

Miss you all...
Geri

INFORMATION ON RECENT CANCELLATIONS AND RESCHEDULED EVENTS

- The NBQA *Quilt Show* scheduled for April 25 and 26, 2020 has been canceled. With restrictions in Rhode Island due to the Covid19 virus, it is impossible for us to put on our show in April 2020. Our quilt show will be held next Spring, 2021. At this point we are unsure of the date, but we should know by July 2020, when the North Kingstown school department releases their 2020-2021 school calendar, advising when the spring break will be.
- The raffle quilt will be held over until the May 2021 meeting. This will allow more tickets to be sold. Also it will avoid the need for another quilt to be made for the 2021 quilt show.
- The *Shop Hop* will be rescheduled. It will probably occur on Saturday, July 11. Louise Pankiewicz will follow up with the shops and bus company, and make an announcement.
- Comfort Quilt-A-Ton has been rescheduled for Saturday, June 13 at Louise's Place (Island Creations), 74 Nooseneck Hill Road, West Greenwich, RI.
- Billie and Cassie's Laver Cake Workshop, scheduled for March, 2020, has been rescheduled for Saturday, June 6, 2020 at The Rocky Hill Grange, 1340 South County Trail, East Greenwich, RI.
- The Board Meeting, scheduled for Thursday May 7, 2020, is cancelled. It will be rescheduled for June 2020, date to be announced

**Cancelled meetings, programs and workshops may be rescheduled during this Summer, 2020.
Look for details as they become available.**

REFUND FOR QUILT JUDGING FEE

- For those who paid judging fees with a check, your check will be marked "VOID". You may have it returned to you at the next meeting.
- For those of you who paid with cash, you will be getting a reimbursement check directly from *Bank RI*.

**If you have any questions please contact Sue Ellis, Treasurer at sellis1291@verizon.net
Thank you for your understanding in this matter.**

QUILT SHOW UPDATE

Due to the corona virus and the directives for social distancing, we were forced to cancel our quilt show scheduled for this month. As many of you know, we choose the date for the show based on when the North Kingstown High School gym is available. A few years ago we looked into alternative venues and there was nothing that matched what we can get at NKHS based on size and price. So this means we must wait until next spring to hold our show.

We plan on returning the show forms and pictures as soon as we are able to. We will need new forms for next year, but you may be able to copy this year's form if you hold on to it. One set of pictures has already been attached to the bags we had planned to use, so if you don't mind, we'll hold on to those in hopes that most can be reused. If you paid for judging, we will return the money as soon as we are able.

If you were part of the show committee and do not wish to fulfill your role next year, please let me know. I will do my best to contact everyone anyway.

While we are home it's a great time to make more quilts for next year's show, as well as mug mats and mini-quilts for the NEQM auction. And please keep assembling baskets for the raffle! Speaking of raffles, we plan to hold onto this year's raffle quilt until next year and do the drawing in May, 2021.

Stay safe and healthy everyone,
Joan Potter, Quilt Show Chair

The links below are for primary mask patterns approved by an infection prevention expert. If you have a pattern that is similar, and is machine washable, please feel free to use it.

IMPORTANT: Please DO NOT sew metal into masks. With repeated washing and re-using, the metal may poke through and injure the wearers eye.

Fabric: A tightly woven cotton or viscose/rayon fabric is best. Patterned fabric is fine (and often appreciated!)

FIDGET MATS for Dementia Care.

If we could all just make One... "Think of the Possibilities"...

The size of your fidget mat is up to you. Use your imagination; anything interesting and safe is suitable. Decorations should be securely attached to fabric for safety reasons.

For example: Sew on a zipper, attach buttons, make a button hole for large buttons with button flaps, sew in a bunch of wool strands (about 7 inches/18cm - to be braided); attach a belt and buckle, sew in a fluffy piece of fabric and leather, attach pom-poms, squish toys, and more. Attach soft toys, sew in a little pocket, large colorful beads, key ring and attach it to mat.

If we all could make one fidget mat as a "Quarantine Project", maybe with our children or grandchildren as a great school project, "think of the possibilities". Be creative, and bring to the next meeting ..It's a great change of creativity for all of us.

2019- 2021 - Strip Exchange

March The Zoo

April : The Beach

May: The Fourth of July Parade

Keep collecting your 2 1/2" WOF fabric. We will catch with the drawing, at our next meeting.

A fast, friendly, and 100% frivolous **quilting quiz**: What kind of quilter are you? Keep track of which answers you choose: a, b, or c. Tally your results and see what kind of quilter you are!

1. When I start a quilt, I:

- a. Choose a pattern; audition fabrics from my color-sorted bins; oil, clean, and change the needle in my machine; and begin.
- b. Hit the quilt shop for a few new quilt books, add several new fabric cuts to my stash, and begin.
- c. Sew two scraps together and see where they lead me.

2. When I sew a quilt-block pattern, I:

- a. Like to follow the pattern exactly.
- b. Get better-looking blocks as I go.
- c. What pattern?

3. Do you insist on accurate $\frac{1}{4}$ " seams?

- a. Yes.
- b. Yes... but close-enough works, too.
- c. I insist on seams.

4. My hand appliqué features:

- a. No-see-um stitches.
- b. Some see-um stitches.
- c. Chocolate stains.

5. When a quilt doesn't turn out like I thought it would, I:

- a. Finish it, label it, and drop it off at Goodwill.
- b. Send it to the UFO pile—maybe one of my grandkids will finish it someday.
- c. Finish it, label it, and love it. It's another original design by me!

6. When I choose fabric for scrap quilts, I:

- a. Use my handy mathematical formula to determine color, value, and pattern ratios.
- b. Hit the quilt shop first—my scrap pile never looks scrappy enough.
- c. Close my eyes and start digging.

7. My fabric is organized:

- a. By size, color, pattern, value, hue, saturation, and luminosity.
- b. By scraps, precuts, and yardage—the latter pile is topped with what I just bought today.
- c. I'm working on it.

8. To finish a quilt, I:

- a. Machine quilt, bind, and label all of my quilts myself.
- b. Write a check. (But sometimes I sew my own bindings!)
- c. Stitches, knots, buttons, bows, staples... I like to experiment.

Time to tally your results! Count the number of a, b, and c answers you chose.

If you chose mostly "A" answers, you are: *The Consummate Quilter*

You know it all, you do it all, and you love it all. We salute (and envy) you.

If you chose mostly "B" answers, you are: *The Casual Quilter*

You love to quilt, you love to collect, and you love the broad strokes. Never mind the details.

If you chose mostly "C" answers, you are: *The Carefree Quilter*

You love to create. The finished product isn't the reward—the process is!

ELECTION UPDATE - 2020- 2021

The recent cancellations of General Membership Meetings for March and April 2020 and the potential uncertainty of the May 2020 meeting has put an obstacle on the Board Elections for 2020-2021. Due to the change in the by-laws, Board Members can be elected for not more than 3 concurrent years.

President Geri has *approached the current board asking if they would consider staying on for another year, and is reaching out to the membership for mentors to follow in their foot steps for the year and then hold that position for 2021-2020.*

Geri Bergreen, Ceclia Schnacky, Nina Ashworth and Sue Ellis have committed to staying on as President, Vice President, Secretary and Treasurer respectively.

We are searching NOW for mentees for all positions for the 2021-2022 term. Please, if you know someone who would be interested in these positions, contact President Geri as soon as possible. The future of our guild lies in your hands. Please become involved.
